Code of Ethics

We pledge to:

Conduct our business operations in a manner that will reflect credit upon ourselves, the REMODELERS COUNCIL, and the remodeling industry. Comply, both in spirit and letter with rules and regulations prescribed by law and government agencies for the health, safety, and welfare of the community. Avoid using any statement or implication which may be misleading or deceptive. Accurately and honestly describe the price, materials, and standards of workmanship used in our jobs. Use only materials that are equal to or exceed the quality of those specified in the contract. Start the construction process as soon as feasible upon reward of a contract and proceed diligently to completion of the project without unnecessary delays. Cooperate with the REMODELERS COUNCIL in responding to and resolving complaints registered against council members.

Mission Statement

To promote professional remodeling through public awareness, education, and ethical business practices.
